

Townhomes and Recreation Center Construction in Progress!

The Model Townhomes are up and ready for interior construction and landscaping. The Recreation Center is adding its outdoor recreation pool and sundeck. An additional fishing pond is being dug, filled, and stocked. Single family homes are being constructed throughout the property. Agent on duty in the Sales Center daily 10am – 4pm and 10am – 2pm on Sundays. Townhomes priced from the mid \$300s and Single Family Lots priced from \$70K. Ask about bonus townhome upgrades available with Pre-construction pricing.

Check **www.thepondsatlex.com** for regular updates as the neighborhood continues to grow!

Monday, July 9, 2007

Some single family lots enjoy views of House Mountain and the terraced pond.

Townhome Models are ready for the finishing touches, inside and out!

An additional fishing pond will add additional lake front lot opportunities.

The Palisades Lake will thrill fish and boating enthusiasts alike.
